Hunter Horizon 26 Bermudan sloop, 1984, 6 berths (aft cabin), Bilge Keel cruising yacht with good accommodation and performance. Hunters are judged to be amongst the best performing bilge keeled yachts on the market having been designed as a cruising version of the Hunter Delta / Sontana one design cruiser racer. Introduced in 1984 - 1988 with over 160 built in 4 years. It then went on to be the base for the Horizon 27, 272, and the 273.

I have updated Shearwater throughout my ownership and she is well maintained and in a sail away.
