At Better Printing, our professionally printed high quality folder brochure demonstrates to your customers. With our range of finishing options you can create attractive A5 folder brochures that work as a highly effective visual marketing tool, trust and confidence amongst your customers.

Our A5 portrait folder brochures are a great welcome pack for your members and clients. We aim to create folders for affordable price and quality. Our lithographic Portrait A5 Folders with stitched-in text are printed on premium 350gsm silk with inside pages of 150gsm silk. Our standard folders come with 4 or 8 inside pages but can be printed with more pages on request.

Our folders with solid colour coverage to the outside must be gloss or matt laminated to avoid cracking and marking, for more details contact us!
