I'm selling my excellent PS4 Console with three games to anyone who needs a bit more excitement in their life. The three games include: Shadow of Mordor, Call of Duty: Advanced Warfighter, and Watch Dogs. In the box: ps4, controller, Hdmi cable, micro usb cable, mains plug. I'm selling because I don't have time to use it anymore and use my pc instead. Get in contact for more information if you want to.
