Very clean car from inside and outside! Perfect for a first car, low insurance, low road tax and low consumption of fuel!
Smooth gear box and engine!
New adjustable suspension and new wheels from Audi A1 with four new tyres! The only issue is the left fender, which paint began to peel after a few visits to the car wash.
This is a consequence of bad work done, but do not have time to leave the car in the garage.
The repair is!
