Ford Fiesta LX 2002 manual 1.3L

I'm only getting selling it as I need a car with a towbar and this car obviously wouldn't be able to do it.

The car has been very well looked after and not abused.

The car has been serviced every year full oil change and new filter etc

The car is very cheap to run on petrol and tax1.3L

MOT till next year

garage I go to has assured me that the damage is only aesthetic. I have the paint to do the job but didn't get around to it.
