Hair I come Hair I go. Hi I'm Amy I'm fully insured and qualified hairdresser of 7 years, covering Pulborough+ 12 mile radius. I can offer all aspects of hairdressing and I only use professional hair products and Wella professional hair colouring products. My prices are very competitive, I have all the necessary equipment to be fully mobile aswell as a portable sink for washing hair (so no need to worry about an uncomfortable hair wash over the bath!) With all colour services I offer complementary consultations and skin tests.

I also offer beauty services such as spray tanning, gel nail extensions, two week gel polish and eyelash extensions. The main areas I cover are:
