Selling my Xbox 360. It is in full working order, comes boxed and comes with : headset (never used still in sealed bag) White controller (not shown as I forgot to take a picture but comes with 1 controller) Power Supply L.A Noire GTA 5 (latest one) Bioshock Infinite Fallout 3 The games and console do show some light scratches but all play fine; this console has never suffered from the Red Ring issue and has served me very well for the last few years. Grab a bargain ready for Christmas. Collection from near Woking or Guildford, Surrey - will ship but contact me for a cost.;
