Great 1st car or run about. Just been serviced & 11 months MOT. Brand new cambelt, head gasket, genuine coil, leads and spark plugs. (Copy invoices from garage available). Engine & body work in very good condition. Internally in good shape too. Drivers wing mirror and window in need of attention. Clutch beginning to slip which is all reflected in price. I've owned the Clio for 12 years. A comfortable and reliable car.;
