Experienced mobile DJ for hire at a reasonable rate. Full music service provided just send me a playlist and I will get the music sorted. I can do requests on the night along with karaoke. I have lights, smoke machine and a laser scanner, so can create a good party atmosphere. I can also do mixing as well as presenting, so wouldn't just be pressing a button to skip to the next track, so can actually provide a proper DJ night for you. I can do any event, so am not fussed about the crowd that I will be providing entertainment for.;
