Very good 2006 Electra X in Rivera red, went through last MOT advisory Free next one is June 2016, starts and rides as it should, 'green box fitted' for easy starting comes with engine bars, rack & quick release screen. 19.1 front sprocket gives better mpg and higher cruising speed. Very economical at 80+ mpg pulls like a train. Serviced and oil/filter changed just 25 miles ago good tyres and chain, battery was replace this time last year, all chrome perfect, there is one very small chip on the front mud guard but apart from that it is blemish free, comes complete with spare set of new cables, oil filter, clutch lever yoke, air filter etc., this bike wants for
