I am a Computing BSC graduate I can build interactive websites email me today with what type of website you want or if you have a full specification that would be even better also what you want your website to do, then depending on that we can agree on a price and an agreed time limit, then I will give you the finalised piece of work and give me feedback if any modifications or a function is not working and I will fix it and make sure you have a fully functional website. Thanks email me today I will respond within 12/24 hours. Full payment will be made via paypal then the whole work will be emailed to you via a zip file..
