Model, T100, Fuel Type, Petrol, Engine Size, 865cc, Year, 2009, Mileage, 19668 Miles, Location, Jack Lilley Ashford, From day one Bonneville's have been built to be ridden, not just to look good. We took the most famous name in motorcycling and gave it some extra 60s style. Still distinctly a Bonneville with its smooth pulling, fuel injected 865cc parallel twin, this 2009 T100 is a great example of the ever popular classic. One owner from new with 19668 miles on the clock, originally supplied by ourselves with full dealer service history. An annual service and MOT will be done before this T100 goes out. Accessories fitted include heated grips for those cold morning rides, centre stand locking fuel cap and a quick release summer screen. Also included are pannier rails for the Triumph.
