Selling due to this great bike not being used - would like someone else to benefit from it! Looking for offers in the region of £525 - this bike cost £800 new and is currently on offer at Evans for £680, so open to sensible offers. Been ridden possibly a maximum of 5 times - just not had the opportunity to ride it as planned and won't now due to pending operation. Bike is in almost brand new condition - only change made from showroom pick up is white handle bar tape applied. Happy to post by courier if need be - at buyers cost.
