Citroen xsara Picasso 2.0 hdi. 127k. Lots of history, recent service, Cambelt change. Good tires, very good reliable runner and economical. This model is the desire. Owned for three years and put 35k trouble free miles on the clock. Bought a newer car so this one must go. This car has various scratches, dents, scrapes etc but it is a 10 year old car. Having said that, it's very presentable but don't expect it to be brand new. MOT AUG. with no.
