A real nice and tidy example of the superb Skoda Octavia diesel estate in white. Has great spec with power steering, central locking, air conditioning, CD player, electric windows, roof rails and traction control. Just one careful gentleman owner from new, visibly well looked after in great condition considering the age and mileage. Really does look, sound and drive like its covered half its actual miles. Outstanding economy for a bigger car, achieving high MPG with reasonable tax and insurance groups. A good looking, very versatile and highly sought after diesel estate. Super value.  
Central Locking, Air Conditioning, Electric Windows, CD
