A marvellous example of the excellent Skoda Fabia finished in the gorgeous and rarely seen Lava Blue metallic. Good specification with air conditioning, CD player with AUX input, alloys, electric windows, power steering and remote central locking. Only one business owner from new, a real good looking car in wonderful condition and maintained to a high standard with full service history. Unbelievably economical 1.6 TDI engine, achieving a staggering potential 78 miles per gallon, low insurance group and just £20 a year road tax. A very desirable and very trendy 5 door family diesel. Electric Windows, CD
