

Solid wood chest of drawers circa 1900 (75 GBP)

South East, East Sussex Location https://www.freeadsz.co.uk/x-215836-z

An impressive chest of drawers with 8 drawers. Three drawers full width of the chest with five smaller drawers above. Great for storing small items of clothing as well as sheets towels etc. All drawers have original brass handles and locks (but no keys). Each drawer front is bevelled. In good condition considering age. A loved family piece sadly need more space looking for a new.
