My mission is to get you playing the guitar, bass guitar or drums (and most importantly ENJOYING IT) as quickly as possible!

My lessons are tailored to the individual - I appreciate that people learn at differently and I am happy to speed up/slow down/change tactics so you can learn at a pace that suits you.

It's up to you how much theory we go into - if your main intention is just to PLAY I am more than happy to accommodate you! AVAILABILTY - MON-FRI 10:00-19:00. SAT 10:00-12:00.

PRICES

GUITAR/BASS/DRUM LESSON AT YOUR HOME - £10 per hour first lesson, £20 p/h second lesson onwards.

If you do not have a guitar/bass of your own I can bring one with me for you to use at no extra cost.

Please note I can only do drum lessons at your house if you have your own drum kit and very understanding neighbours!

GUITAR/BASS/DRUM LESSONS AT STUDIO - £20 per hour first lesson, £30 per hour second lesson onwards.

£10 per hour second lesson onwards. I have a small, well equipped rehearsal room in Bristol. If you need to book a lesson, please email me for more information. I have played all three instruments in a range of bands over the years and have played shows all over the country. The bands I have been in have supported some fantastic international bands and have managed to release a number of recordings, some of which have been played on local and national radio (including a slot on Huw Stephens's Radio 1 show).

I am also happy to teach for longer than an hour, at a time of a slightly reduced rate - please e-mail me for more information.
