Roland E70 synthesizer (110 GBP)

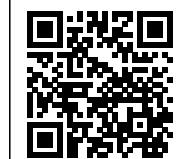

Location   **South East, Surrey**

https://www.freeadsz.co.uk/x-215961-z
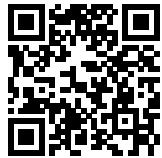

The keyboard has no known faults.The roland e-70 is a 24 voices polyphony, high performance intelligent keyboard, with 128 sounds and 64 styles. The new LCD and the many buttons make the keyboard's function easier to distinguish and select than ever before. Even if made with the entertainer in mind, the e-70 is ideal also for professional players and for those home musicians who can bring their talent into the spotlight after practising. The features of the e-70 enable fantastic versatility and musical expression and is great for composing, education and performance.
