My partner and I are looking to rent a double en-suite room, studio apartment or one bedroom flat within the Milton Keynes area. I am a Recruitment Consultant for the NHS and my partner is a Projects Administrator. We are professionals who are looking to find a decent place to live whilst saving to buy our own home.

With this in mind, our budget is £650 per month, council tax and bills included. We have solid referencing both from our landlord and employers. We are happy to pay a deposit. If you are looking for reliable and professional tenants for a long term arrangement, then please do not hesitate to contact us and we would be delighted to have a chat and answer any questions you may.
