Hiya, I am calling on everyone for help! I am having nightmares with all the agency's out there and searching for a flat is becoming very difficult indeed. So I have come to the Friday ad for help in my search. I am looking for a 1 bed or studio in the brighton area. It can be as far as saltdean and as wide as worthing. I am looking to be in some where with my boyfriend by the 10th December. We have been searching for weeks and as you can see are getting very close to our date to move. We have references, uk garantor and deposit. Please please... if you are a private landlord, lettings or are going away a need a house sitter for a few months. Contact us. I would be very happy to hear from you. Many thanks
