Hi, I am looking for a female housemate (student ONLY) to replace me at the property I am currently renting with 3 other girls from Royal Holloway. It's a nice little house at the end of Egham High Street with 4 bedrooms and my room is a double room with a double bed. It is fully furnished with a double wardrobe, a dressing table, a chest of drawers and a table with a chair. The house is within walking distance from all shops (i.e. Tesco is 3 minutes away) and Egham Station is literally a 5 minutes walk. The RHUL campus is also a 15 minute walk and there are many bus stops nearby if you wish to take the bus. The rent is £403 pcm excluding bills which doesn't amount to much anyway. There is already broadband available at the house. Please contact me as soon as possible. The number: 07717131419 No time wasters please :);
