

Technical Books in Engineering amp Quality Control (12 GBP)

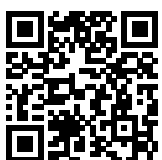

Location

West Midlands, West Midlands

<https://www.freeadsz.co.uk/x-216453-z>

Two technical books: 'Metrology for Engineers' by J. Galyer & C. Shotbolt and 'A Practical Approach to Quality Control 3rd Edition' by R. H. Caplen Authorities on their subjects, excellent reference books for people in these professional disciplines. Probably out of print but will not date. Suit new engineering apprentice in these.
