I have had this car for more than a year now and it was my first car. I am a little sad to sell it as naturally I have become attached to it. However, I am going to be insured on my parents car now so I need to sell it. The car has tinted windows, AC, electric windows & side mirrors, CD/radio, body coated bumper, alloy wheels, clean interior, no wear and tears, tyres are all in good condition, MOT with FULL service history available and recently changes oil/filters. It is in perfect working order :) The price is £1250 ovno. Please call me as soon as possible on
