Calling all Professionals Care Leavers Survivors of Sexual Abuse
Parents Of Fostered or adoptive Children and Sra Victims.

Hi, I am looking for Guest Speakers around the world to be a speaker at the Glasgow conference We would love to meet you all or you can connect via Skype add me freedomtalkradio1.

This may be the first Global conference Ever Let us all work together in Child Protection parents carers and professionals that's ever taken place in Scotland and linking up with speakers worldwide. Lets Smash the Cover ups in the abuse of children.

I am arranging another successful conference in the fight to arrange awareness and publicize peoples stories and these important issues around child protection.
My thanks go out to people who attended previous conferences.
