Fitted with the 18" JCW alloys this really looks the part and you certainly won't be disappointed when you get behind the wheel Previously automatics have been viewed as not being a drivers choice of gearbox however times have changed and BMW recognised this firstly with the E36 M3 and now even the mini comes with F1 style 6 speed Paddleshift putting the fun into automatic ownership This one also comes with the sport button which sharpens up throttle response tightens the steering Specification on this one includes half leather sports seats 3 spoke sports steering wheel ear
