2000 reg. Black. Various modifications. Great looking car. Back leather. Lowered suspension. Low mileage for age. Good engine. NO MOT OR TAX. Please read..... Bourt this car blind on ebay just over a month ago as a small project but the previous seller didn't tell me about an issue it seems to have with the gearbox. The car drives but the gearbox seems to slip. I put the car through an MOT. Failure sheet is shown in pictures. Car has sat on driveway since. I don't have the time or money to do the work needed so I'm selling it. Starts and drives. I have the V5 logbook but no other paperwork. This is strictly sold as seen so viewing is recommended.;
