2008 BMW 3 SERIES 3.0 330d M Sport 4dr

For sale is Sapphire black BMW 330D. I have owned the car for a little over a year now and am selling only after being promoted and receiving a company vehicle. , , The car is in near perfect condition, paint is immaculate and the interior has been well looked after. You will be hard pressed to find an 08 BMW in as good condition as this one. , , The particular version is M-Sport maximum package on everything, the only feature this car doesn't have is a usb slot in the centre console, I have never had a use for this though as all android/apple phones pair wirelessly with Bluetooth. The other feature it doesn't have is heated seats. It also has the DSG gearbox as you can see in the pictures of the steering wheel. DSG allows for F1 style gear shifting, taking the car from Auto to semi-auto. , , Whilst in regular drive mode the car is comfy, will happily soak up speed bumps and potholes, the suspension is fantastic when turning and doesn't throw you or your passengers all over the place! Drive sport is a harder ride than regular drive and increases throttle response by a great deal,. When in drive sport there is definitely a great connection between vehicle and driver, those who are truly a fan of cars/driving will understand that statement. , , , , As I say the car must go as I have been offered a promotion which comes with a company car. I will be very sad to see her go. I am willing to except reasonable or close offers. 5
