Quick sale
The gym machines All for £95
1-Exercise Bike
2-Mini exercise stepper
3-HEALTH-RIDER Exercise machine 1-V-Fit Exercise Bike, screen not working but fine other than that.see pictures, It can be used in conjunction with a phone app for exercise. 2-Mini exercise stepper Gold's Gym 3-HEALTH-RIDER Exercise machine
The posture of a bicycle and the action of a rowing machine. Probably worth about £500 The structure of the machine is like a bike: wide handlebars and two pedals. The motion is like that of a rowing machine: pulling the handlebar back towards the body while pressing away with the feet. I estimate it is between four and five feet long. The handlebars are about three feet across and about three and a half feet off the ground Collection only
