Epson inkjet printer r2880 in near new condition, as modern day printers go this has had moderate usage, now fitted with refillable cartridges and good quality pigment ink both from marrutt's of uckfield. it will print any size from 6x4 up to A3PLUS, and print any thickness up to 1.3mm so you can even print on canvas. it comes with everything that came with it, and in its original box. it has 9 cartridges eight in printer, of which 4 are blacks so this printer prints excellent black and white photos as well as colour. this printer is still for sale on amazon at £899-99, and I have seen two sold on ebay recently for between £250 and .
