Climbing Frame Assembly amp Installation

Location **East of England, Norfolk** https://www.freeadsz.co.uk/x-217346-z

Safe, Professional, One-day Installation of your Climbing Frame or Trampoline in Norfolk, Suffolk and Cambridgeshire. We assemble and install any brand and model of climbing frame, trampoline or playset. This is our primary service. Most climbing frames are assembled in just one day (4 to12 hours), which take many people many days and weekends. If you need your climbing frame moved then we can dissasemble your climbing frame and move it to another location. We also do reassembly of climbing frames. To protect your climbing frame we recommend that you have have it sealed or stained once a year to protect it from the winter weather. For a Free quote on your climbing frame assembly please let me have the make and model. Thank you. Call Climbing Frame Assembly on
