A lovely Royal Enfield Bullet Electra EFI with a low mileage on the clock. These motorcycles give an authentic feel of the Fifties and Sixties British bikes scene, they are so very reminiscent of the first Enfield Bullets built in Redditch in 1955. This example is in a lovely condition and has clearly been very well cared for. These retro styled motorcycles are so in vogue and this one comes with a retro price tag too! Cars and bike taken in part exchange, Finance offered subject to status, Nationwide delivery available, E
