For sale is my Saxo VTR bought back in May of this year to commute to work..Only reason for selling is I've now bought a van. When I purchased it I gave it a full service and a cambelt kit. Also a new thermostat and housing and renewed the coolant. Since then it's had two new tyres, a full exhaust system and 2 CV Boots. It doesn't use any oil or water, is great on fuel and is fun and nippy to drive. It has a new MOT which expires December 2016 with no advisories. It's in very good condition for it's age, and it's unusual to find one of these that hasn't been modified, used and abused, and had several speaker holes cut into the rear shelf!
