This is an extremely comfortable and reliable car, which comes with the full service history. This is the top specification model of Aygo, which features leather seats & steering wheel, air conditioning, 5 doors, alloy wheels and electric windows. It also comes with voice activated Bluetooth handsfree, plus CD player and the ability to play music from your phone or MP3 player. But the stand-out feature is its running costs. Road tax is £20 per year, it is Group 1 insurance and I get around 50 miles per gallon. An ideal first car for a young person or learner driver, as it is one of the cheapest cars on the market to insure and run. This year, it has had new brakes, exhaust and a complete service including replacing factory parts. Full details can be provided on.
