If you just want your car washed, there's plenty of cheap and cheerful car washes in town... but if you want your car brought back to life, then Mitchells Detailers is all you need!
 Competitive rates with services ranging from just a wash, polish and wax.. to a full blown detailing extravaganza. All washes carried out with the 2 bucket process, so unlike your normal car wash, we won't scratch and damage your paint work whilst washing it.
 We are OCD about detailing cars, and wouldn't return your car until it's as good as it possibly good could be.
 Specialising in vintage and retro cars.
 Collection and delivery available free of charge. Tel;
