12 months MOT, just serviced, only 2583 miles on the clock as not used for last couple of years and kept garaged all that time. Benefits from a 4 stroke engine, electric and kick start, back rest, large storage bin under seat big enough for helmet. In good condition. Slight cosmetic damage - a bit of a scuff on the right hand side plastic as shown in the photo - but otherwise sound. Comes with user manual and 2 keys. Very easy bike to ride. Cheap to run, tax and insure. Great little learner bike or Christmas present for your teenage son or!
