

# Scooter built in England SX200 replica on an Li frame (30 GBP)

Location

West Midlands, West Midlands

<https://www.freeadsz.co.uk/x-218499-z>

Professionally built in England this is an SX200 replica on an Li frame registered as an Italian import in 1966.

Comes with black and white 1966 plate, tubeless whitewall tyres on alloy rims, leg-shield spare wheel holder with whitewall tyre, sprint rack and electronic ignition.

Registered as an Li150 with 600 miles on the new engine.

Painted in original Neuvo white this is a stunning looking.
