

APPLE IPAD 2 16GB WHITE BOXED BUNDLE CHARGER CABLE amp PRETTY LENTE

I have used this iPad pretty much daily since I purchased it. As you can see I have not restored to default settings yet which I will do once sold.

Please note that this iPad was engraved with "mary's iPad" on it but if you have seen iPad engravings you will know this is very small and not that noticeable. Obviously not noticeable at all when it is in the case.

The screen has a few scratches from wear and tear because it is used, and has been used every day, but I don't think anything too bad so that is affects the use.

I am including the lovely daisy case from Lente Designs, the plug, and charger cable will also be in the box.

I also have a BNWT unused black leather (not plastic or pretend leather!) case for the iPad. Please let me know if you would like this and we can agree a price.

Collection please from RH17 6BQ. You might like to check out my other items especially as I am moving and selling a few items. ;
