UNUSED LAURA ASHLEY BROMPTON DARK OAK DOUBLE BED FRAME and MATCHING SIDE / BEDSIDE TABLE WITH DRAWERS. The bed has never been slept in and the table has never been used. THE SALE IS FOR BOTH ITEMS. When my son returned to USA I decorated his room and purchased new furniture. But he did not return home and I am now moving. I 'dressed' the room for moving photos only. I have posted the original photos from Laura Ashley first because these are much clearer than I can take. the room has not been used, apart from for storage, since the bed and table were put in there. This is a high quality, heavy piece of furniture. Please note the buyer will need to disassemble and remove. I think this needs 2.
