Complete XBOX 360, with power lead, connector lead, 2 handsets, handset battery charging station, headphones with microphone and 15 games in original boxes. Used, but well cared for and everything works, and the XBOX has been reset to factory settings. Would make a great Christmas present, but be aware that the games are mainly 16+ (Battlefield, Call of Duty, Halo 3, Assassins Creed, etc.) Sold as a package, will not sell items.
