Company Wizard offers a range of specialist company formation services for Limited Liability Partnerships (LLPs), Right to Manage Companies (RTM) and general non-profit Limited by Guarantee companies. We also offer a DIY Company Formation template pack for paper-based application (£9.99). Forming a limited company is simple using our online company formation wizard. When you complete each area the corresponding tab will light up green. Don't worry if you haven't got all the information to hand, we automatically save as you go along.

For new start up, Company Wizard helps you out in every aspect. It helps you to create a free online accounting system.

Anybody can form a limited company by using these 3 easy steps:

1. Search for a good company name
2. Complete the application form online
3. Go through the form after completion and submit it

It provides different types of services to form a Company in the United Kingdom, such as.....

Limited by shares company
 Dormant companies

Limited by guarantee companies
 Limited Liability Partnerships (LLPs)
 Right to Manage Companies (RTM)

It helps you to form a company online easily and quickly in a few mins ready to go in a few
