If you're looking for a cheap storage facility in Birmingham then please visit Red Cube is a brand new storage facility opening its first branch in October 2014 on Tyburn road in Birmingham. The location was chosen to be easily accessible from the M6 via junction 6 to reach destination within 10 minutes after leaving the motorway.

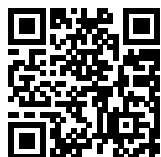

The self-storage single units are available in sizes starting from as little as 25 square feet to 100 square feet. But this does not restrict us in offering larger spaces. As we are keen to work with you, we can be flexible and provide you with a solution to suit you. Provided that a contract of terms is put into place we can expand neighbouring units and combine to offer you a space to fit your requirements and add facilities to accommodate your business and personal needs.

If you need help with finding out how to effectively store your business or personal belongings and easily transfer these goods to your location to our facility please call our friendly storage experts who will guide you to a hassle free move without any.
