The Faux leather Houston sleigh double bed (4 ft 6) includes four drawers hidden neatly under the deep side rails; these provide valuable storage space without taking up any extra room. The drawers sit on 3-point runners which allow you to fully open the drawers. The bed is just 4 months old and just like new. The market price is 329.99 and we offer 53% discount. The high quality runners also mean that they do not leave trails on carpeted floors and are extremely easy to open and close. This popular frame features double lines of stitching with gentle curves on both the head and.
