For sale is my Ford Connect van. Great little workhorse with no problems at all. -Large galvanized roof rack can carry really long items instead of the usual 2 ladder bars. The cabin and the back is divided by ply wood with two shelves . -Drives perfect with no weird noises or anything like that. -Next MOT due 28th June 2016 -Full service history, -Short wheel-base, -Height adjustable driver's seat, -Power steering -Central locking -Driver's airbags -Had starter motor replaced in September -Tyres- there is tons of tread left on them. -With 136,000 miles on the clock, this little van has a couple of hundred thousand miles left in it for sure. -4 former keepers including me Reason for sale, I used to have a tiling business but now I seized trading,I don't need the van and must buy my wife normal family car. Van will be de-stickered and valeted prior to sale.Any questions, ask:)
