

Bludio BS3 wireless bluetooth speaker (44.99 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-219487-z>

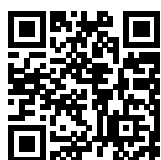

Enjoy rich, life-like sound from an ultra-compact speaker that is small enough to fit in your palm. This speaker connects wirelessly to your tablet, smartphone or other Bluetooth enabled device, so you can listen to your music, games or videos in HD sound. At just 0.67 kg, this Mini speaker is compact and lightweight enough to fit into your bag. The speaker's low centre of gravity and sleek profile make it hard to tip over and allow you to place it almost anywhere. Enjoy up to 6 hours of listening time, thanks to a rechargeable lithium-ion battery. There's even more playtime at home, because the charging cradle allows you to listen to your music while recharging. Connect via Bluetooth, Experience the sound you want, wire-free, thanks to a Bluetooth range of about nine metres. The speaker easily connects with your iPad, smartphone or other Bluetooth enabled device. And this unit will remember the 5 most recent devices you've used. Compact size, great performance Delivers much richer sound than you'd ever expect from such a small speaker, which means you no longer have to trade in performance for portability. An innovative driver configuration and Bludio's own technologies marry to deliver full-range sound—including deep lows—in an impressively small package, so you can take your music to places it has never been before. Stylish design that is simple to operate With its one-piece casing, this speaker is both attractive and durable. Designed for sleek simplicity, the speaker features buttons for power and volume, and lets you control all the other functions from your Bluetooth device. Additional features Recharge the battery using the charging cradle, which also serves as a convenient home base for your speaker, and allows you to listen while it recharges Answer calls with the in-built MIC, 3D sound switch, Wall charger, 3.5mm auxiliary in port allows you to connect other sound source.
