2006 Citroën C4 VTR+ 5 Door Great car, lovely to drive. Has all the extras Auto lights, rain sensing wipers, cruise control. Oil, filter, cambelt, water pump and MOT all done last week. No advisory on MOT. The car looks great but has some age related knocks and marks. Also the paint is a bit flat on passenger side rear arch and door. Looks like the previous owner tried to cover some scratches with a spray can. Full service history, 12 months MOT, 3 owners, 2 keys, 88k miles, Really nice car, come drive it you will love it. ;
