I am looking for a 2 or 3 bed ground floor flat or house with garden in Bexhill, St Leonards or Hastings for my 2 children and I. I am a carer for my eldest child who is registered disabled and we are currently living with a friend due to being ineligible for social housing or help with a move as we are new to the area. I can provide references from my previous 2 landlords and am hoping to be able to move into a property in January. Condition of property is not important, I am happy to do minor works and decorate myself if required, all I want is somewhere my children and I can call home. Thanks for.
