## Honda T35 3.5m inflatable amp Honda 20hp outboard (2,800 GBP)

Location South West, Gloucestershire

https://www.freeadsz.co.uk/x-219791-z

First purchased new in June 2012, bought by me in January 2014 in immaculate condition with 20 hours. We used it for a week and three other weekends in Devon in 2014 and only managed the three outings this year as above.

This comes with many extras, most shown in the photos:

Honwave T35

Honda BF20hp outboard

Fully galvanised SBS trailer (New in 2013)

Travel box for easier long distance trips, and it saves fuel.

Fuel tank and fuel line

Honda thwart seat

Honda bow storage front cover

Full boat cover

Launch wheels

Heavy duty load straps

Transport trolly for outboard

Wooden stand and modified dustbin for fresh water flushing after use

Anchor with chain a warp

Tow hitch lock for trailer

Wheel lock for trailer

Tipe boatinas never peen regaired and field pressure for the week on holiday awe have sometimes not uşed the trailer and just packed it in the car for ease of parking. We ve had a great time in it and yow plan 🥞 of upgrading to a bigger boat hence the sale. More than happy to arrange a test on the hames and could negotiate delivery if required. Any questions please email or all and have your eff a great boat ready for the next season Fabulous Horavave T35 inflatable boat with aluminium floor, great boat and very stable. The engine (June 2042) was last serviced June 2015 by Bridger Marine and only used three times

since, one afternoon at Salcombe and two afternoons on the Thames.

The boat has never been repaired and held pressure for the week on holiday. We have sometimes not used the trailer and just packed it in the car for ease of parking. We've had a great time in it and now plan on upgrading to a bigger boat hence the sale. More than happy to arrange a test on the Thames and could negotiate delivery if required. Any questions please email or call and have yourself a great boat ready for the next.
