

1970s Kawai AQ1200 (270 GBP)

Chris Pearce's 12-string Aquarius

This white 12-string Aquarius AQ-1200 belonged until recently to *Surfin' Lungs* guitarist Chris Pearce and you can hear it on myspace.com/surfinlungs - on the song *Hawai Stole my Baby* -, also on some of their albums.

1970s Kawai AQ1200 ...plays like a 6 string, amazing low action and narrow fretboard. One of only a few around, Google it and find out! Battlescarred from actual gigging, but fully working and good condition.
