Excellent build quality with hard wearing fabric, comfortable padding.

Holds large DSLR camera with 4-5 extra lenses and 17" laptop plus all the paraphernalia like converters, flash, charger, cables power adapters, filters, cards, portable drives, lens-hoods etc etc plus 'soft pockets' on the front which are ideal for gloves, hat, and small books.

Pull out tripod carrier.

Dimensions: 35 x 21 x 50 cm Manufacturer's Description:

The perfect backpack for photographers, it has extra room for large professional SLR camera, lenses and accessories, and a laptop computer (up to 17").

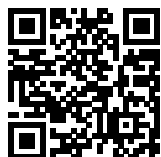

Carefully designed to withstand all the use and abuse you can give it, this pack's reinforced construction, shock-absorbing, closed-cell foam and water resistant materials provide the highest level of protection.

The comfortable padded shoulder harness and removable waistbelt provide a comfortable fit for hours on end. The interior is fully customizable and includes removable padded dividers and see-through laminated mesh pockets so you can quickly see what's stored inside. A padded rear compartment with water-resistant zipper protects your laptop and provides access even while wearing the pack. Additional features include a built-in memory card pocket, all weather cover, attachment loops for optional extra storage pouches, built-in tripod holder, and batwing compression straps for maximum.
